TUG 2000

Wadham College, Oxford, UK
August 13th–16th, 2000

The 21st Annual Conference of the TeX Users Group will take place at Wadham College, Oxford, between Sunday 13th August and Wednesday 16th August 2000. Tutorials will be given on the 17th and 18th August.

The Location

Oxford is a small, pleasant city with an internationally famous university. The city is full of ancient buildings, beautiful gardens, libraries and bookshops. The conference will be held in Wadham College, a traditional college (founded 1613) in the centre of the city. Oxford is easily reached from London, and is a good starting point for visiting much of southern England.

The Conference

The conference will feature talks on all aspects of TeX and its relationship to both traditional and electronic document preparation and processing. The Annual General Meeting of the TeX Users' Group will be held during the period of the conference.

We expect the cost to a typical delegate to be about £300, including accommodation and meals; cheaper accommodation and bursaries will also be available.

The conference chairman is Sebastian Rahtz (Oxford University Computing Services) and local organisation is led by Kim Roberts (Oxford University Press).
